

Download American Families And Households

All Census Bureau demographic surveys collect information about the residents of each housing unit and how they are related. The level of detail collected varies, as well as the availability of other characteristics of household members. American FactFinder provides access to data about the United States, Puerto Rico and the Island Areas. The data in American FactFinder come from several censuses and surveys. The American economists Walter Williams and Thomas Sowell argue that the significant expansion of federal welfare under the Great Society programs beginning in the 1960s contributed to the destruction of African American families. How much do Americans earn? Average income data for individuals and households. Stagnant income growth for American families. Posted by mybudget360 in average income, median household income
