

Download Censorship (an Impact Book)

In general, censorship in India, which involves the suppression of speech or other public communication, raises issues of freedom of speech, which is protected by the Indian constitution. Censorship in the United Kingdom has a long history with variously stringent and lax laws in place at different times. British citizens have a negative right to freedom of expression under the common law. In 1998, the United Kingdom incorporated the European Convention into its domestic law under the Human Rights Act. About Alex Howard Alexander B. Howard is a DC-based a technology writer and editor. Previously, he was the Washington Correspondent at O'Reilly Media, where he covered the voices, technologies and issues that matter in the intersection of government, technology and society. Since 1990, the ALA Office for Intellectual Freedom has maintained a database on challenged materials. ALA collects information from two sources: media reports and reports submitted by individuals.
