West Coast's Storm Parade: More Welcome Rain, Unwelcome Mudslides for California Dec 17, 2014, 5:30 pm EDT Fresh off the heels of two major rain and snow makers, another storm system is bringing ..."Here Comes the Rain Again" is a 1983 song by British duo Eurythmics. It was written by group members Annie Lennox and David A. Stewart and produced by Stewart. Problem: For me, the hardest part was finding some cups to use to collect the wind. Solution: One suggestion was plastic Easter eggs. Another was metal soup ladles. Chill House Music Loop 116 bpm.
