

Download Cissp Study Guide By Eric Conrad

CISSP Study Guide, Third Edition provides readers with information on the CISSP certification, the most prestigious, globally-recognized, vendor-neutral exam for information security professionals. Eric Conrad (CISSP, GIAC GSE, GPEN, GCIH, GCIA, GCFA, GAWN, GSEC, Security+), is a SANS-certified instructor and President of Backshore Communications, which provides information warfare, penetration testing, incident handling, and intrusion detection consulting services. The CISSP certification is the most prestigious, globally-recognized, vendor neutral exam for information security professionals. The newest edition of this acclaimed study guide is aligned to cover all of the material included in the newest version of the exam's Common Body of Knowledge. Hello Eric, I plan on taking the exam in November of 2015. With the update of the CBK should I continue using your book (2 edition) or do you recommend purchasing the newly release study guide by ISC2?
