The graphic novel as we know it started as the comic boom medium elevated to a new level near the start of the 1980s. Starting as just longer comics, the graphic novels emerging around this time set the trend for the future of the medium: elevated characterization, deeper stories, original voices unshackled by the constraints of the comic book ...This is a list of officially licensed novels (and short story collections) based on established comic book and comic strip characters (i.e., media "tie-in" novels). Watchmen is a science fiction American comic book limited series by the British creative team of writer Alan Moore, artist Dave Gibbons and colorist John Higgins. Crime comics is a genre of American comic books and format of crime fiction. The genre was originally popular in the 1940s and 1950s and is marked by a moralistic editorial tone and graphic depictions of violence and criminal activity.
