

Download Doing It : What One Million Men And Women Want You To Know About Sex

Men confuse you. They date bitches, don't talk to you, and all seem to want only sex. The male species is nonsense from a female perspective. As gay men and lesbians get closer and closer to the mainstream they've often traded in their image as the queer radicals who started the Stonewall Riots for the milquetoast assimilationists who ...Meet the brotherhood of "Men Going Their Own Way," a burgeoning movement of guys who believe womankind has let them down. Sex differences evident. Most of our ideas about heart disease in women used to come from studying it in men. But there are many reasons to think that it's different in women.
