

Download Grand Designs Labor Empire And The Museum In Victorian Culture

In the history of the United Kingdom, the Victorian era was the period of Queen Victoria's reign, from 20 June 1837 until her death on 22 January 1901. This essay explores the 1886 Colonial and Indian Exhibition, focusing specifically on its unprecedented display of 34 Indian artisans. It contextualizes this display in relation to Victorian discourses that lamented the disappearance of the British working body through mechanization, and that conflated the authenticity of South Asian crafts ... This list of museums in New York is a list of museums, defined for this context as institutions (including nonprofit organizations, government entities, and private businesses) that collect and care for objects of cultural, artistic, scientific, or historical interest and make their collections or related exhibits available for public viewing.
