

Download Kioti Finish Mower Manual

Newbie question - what type of oil do I need to put in a king kutter rfm? I just bought a 5' used mower from my neighbor and I'm not sure what I need to use to top it off and make sure it is ok before I use the mower. The first digit of the older serial numbers designates year of manufacture, in your case, 1994. the "LK3054XS" was the name given to the tractor when they moved the gearshift from off the transmission cover to the left of the steering wheel. 4' PTO Driven Rotary Tiller - in crate. Runs on a standard PTO shaft (included) and works with most tractors. PTO Turning Speed: 540r/min. Creates a smooth finish perfect for crop and lawn preparation... This winter, BE READY! For tractors with Mid PTO of 16 to 25HP Gear up your compact tractor with a Berco Front Mount Snowblower and take a bite out of winter. Go through any type of snow and any amount of snow. Berco products make your life easier. Choice of hydraulic or electric chute If applicable: taxes, freight and installation fees ...
