

# Download Martin 40 Outboard Manual

The Martin B-26 Marauder is an American World War II twin-engined medium bomber built by the Glenn L. Martin Company in Middle River, Maryland (just east of Baltimore) from 1941 to 1945. I've just bought a used Mariner 2-stroke, 2.5hp outboard but unfortunately it didn't come with a manual - since this model isn't made any more, does anyone know where I can get a Manual? Apparently the engine was only used a couple of times before being left in a shed for a few years, so I guess it may need a bit of work. Thanks for any advice ...
