Inductive study compares related Bible texts in order to let the Bible interpret itself, rather than approaching Scripture with predetermined notions of what it will say. Dr. Traina's Methodical Bible Study was not intended to be the last word in inductive Bible study; but since its first publication in 1952, it has become a foundational text ...Following up Robert Traina's classic Methodical Bible Study, this book introduces the practice of inductive Bible study to a new generation of students, pastors, and church leaders. If you would like to study the Bible more on the internet, the following two interactive Bible studies should help. In these two courses we have tried to point to what the Bible says and not what we think. Catholicism's true attitude toward the Bible. The modern approach of the Catholic Church is to emphasize great love and respect for the Scriptures.
